

**A Critical Assessment of the Policy  
and Practice of Relocation of Low  
Income Communities in the City of  
Colombo**

**By**

**Neela Piyaseeli Gunasekera**

**Thesis submitted to the University of Sri  
Jayewardenepura, Sri Lanka for the award of  
the Degree of Doctor of Philosophy**

## Declaration

"The work described in this thesis was carried out by me under the supervision of Professor Y.A.D.S. Wanasinghe and I certify that this thesis does not incorporate without acknowledgement any material previously submitted for a degree or diploma in any university or higher educational institution in Sri Lanka or abroad and to the best of my knowledge and belief it does not contain any material previously published or written by another person except where due reference is made in the text"

Neela Piyaseeli Gunasekera

February 2003

Department of Geography  
University of Sri Jayewardenepura

26<sup>th</sup> May, 2003

### Certification

I certify that Mrs. Neela Piyaseeli Gunasekara has incorporated the comments of the Examiners and has revised the Thesis.

I therefore, recommend that this Thesis is suitable for submission for the Ph.D. degree to the University of Sri Jayewardenepura.

Prof. Y. A. D. S. Wanasinghe  
Supervisor.

Dept. of Geography,  
University of Sri Jayewardenepura,  
Nugegoda.

## ACKNOWLEDGEMENTS

I wish to record my gratitude to my Supervisor Professor .Y.A.D.S. Wanasinghe, Department of Geography, University of Sri Jayewardenepura for her valuable guidance and suggestions during the entire study. I am also indebted to Prof. M.M. Karunanayake, Senior Professor of Sri Jayewardenepura University, Dean of the Faculty of Graduate Studies at University of Sri Jayewardenepura, for his constructive comments on the study.

I am very grateful to Prof. M.D.C. Abeyratne, Dr. Sudatta Ranasinghe, Senior Consultant, Postgraduate Institute of Management, Sri Jayewardenepura University, Dr. Jayanthi de Silva Associate Prof. University of Colombo, Mr. Susil Sirivardana, Former Chairman, National Housing Development Authority, Prof. Willie Mendis, Senior Professor, University of Moratuwa and former President, Institute of Town Planners Sri Lanka, Dr. Krishan Deheragoda Chairman, Real Estate Exchange (Pvt) Ltd. Mr. M.A.P. Senanayaka, Senior Lecturer University of Moratuwa, Mr. Lalith Mirihagalle, Executive Director, Real Estate Exchange (Pvt) Ltd. Professor Sarath Kotagama, Environmental Department, University of Colombo and Mr. Nimal Gunatilake, Lecturer, University of Colombo for their valuable comments in the study.

I wish to place on record my sincere thanks to Mr. Suresh and Vijaya Kumar of Housing and Urban Development Corporation Ltd. (HUDCO) New Delhi, Prof. Bahadur from New Delhi, Dr. Bhatiya from Ahamadbad – India, Miss. Ruwani Jayawardena, Social Development Specialist, ADB Manila, Philippines and Mrs. Merlinda C. Amba, Chief Engineer, National Housing Authority of Manila, Philippines who have contributed to make this study a success

I appreciate the assistance given to me in carrying out the field surveys by officials of the National Housing Development Authority (NHDA) more particularly Mr. Gaminie Vithana, Senior Manager (Colombo City) and Miss. Renuka Munasinghe, Technical Officer.

I owe my gratitude to my husband Hubert and children Indunil, Lakmal and Chaturi for enduring the disorder at home during my studies on the one hand and their courage and sacrifice in covering up my domestic obligations on the other.

I mention with gratitude and appreciation the assistance given by Mr. Motha Britto in carefully reading the script. I am grateful to Mrs. Nirani Perera, Mrs. Chitra Jayaratna and Mrs. Geetha Dorawake for the secretarial work and assisting me on the computer. Finally my gratitude is due to the communities of Navagampura Stage II, Aramaya Place - Dematagoda, 117 Watta - Narahenpita and Sahaspura – Borella for their immense cooperation given to me by discussing with me about their numerous problems.

Finally I express my very sincere thanks to those who helped me in various ways without whose help this research would not have been made possible.

## Chapter 1 Introduction

1.0	Introduction	1
1.1	The living condition of the urban poor	3
1.2	Housing policies	14
1.3	The need for relocation from an Economic Point of view	15
1.4	The significance of the study	15
1.5	Definitions	17
	1.5.1 Definitions of "Low income communities"	17
	1.5.2 Definition on "Relocation"	18
1.6	Objectives of the study	19
	1.6.1 General objectives of the study	19
	1.6.2 Specific objectives	19
	1.6.3 Delimitation of the study area	20

1.7	Methodology	20
1.7.1	Selection of the sample	22
1.7.2	Collection of primary data	22
1.7.3	Case studies	23
1.7.4	Discussions with decision makers	23
1.7.5	Collection of secondary data	24
1.8	Previous studies on relocation	24

## **Chapter 2 Government Policies on Urban Low Income Communities in South and South East Asian Countries**

2.0	Introduction	35
2.1	Government policies adopted in selected developing countries on relocation of low income communities	39
2.1.1	Early Eviction	40
2.2	Bangladesh	41
2.2.1	The existing Policy and Legal Frame Work for Resettlement	42
2.2.2	Mitigation of Impacts of Development Project and Relocation	42.
2.3	Indonesia	44
2.4	Pakistan	48
2.4.1	Impact of relocation	49
2.5	The Philippines	50
2.5.1	Existing policy and legal framework for resettlement in the Philippines	51
2.5.2	Impact of relocation	53
2.6	Conclusion	54

### **Chapter 3            Urbanizations and the Emergence of the Urban Low Income Housing Problem in Sri Lanka**

3.0	Introduction	55
3.1	Urbanization and low income housing problem in Sri Lanka	56
3.1.2	Urbanization pattern in Sri Lanka	58
3.1.3	The spatial Distribution of Urban population in Sri Lanka	61
3.2	The low income housing problem	65
3.2.1	Definition of Low income communities	65
3.2.2	The Low income housing problem	66
3.2.3	The affordability of low income people	67
3.2.4	Need for state intervention in low income housing	68
3.2.5	Emergence and growth of squatter settlements in Colombo	70
3.2.6	The magnitude of the squatter settlements problem	74
3.3	Conclusions	78

### **Chapter 4 Shelter Policies and Programmes for Low Income Communities in Sri Lanka**

4.0	Introduction	80
4.1	Housing in Different settlement Type in Sri Lanka	81
4.1.1	Rural low income settlements	81
4.1.2	Village expansion schemes	82
4.1.3	Colonization schemes	83
4.1.4	Regularization of encroachments	83

4.1.5	Urban low income settlements	84
